Appendix B

Field Trip Bidding

The following procedures shall be used in filling jobs posted as extra trips (as pertains to 13.16)

General

Assignment of Regular Drivers to trips shall be based on seniority with trips awarded by rotation. Substitute Drivers shall be assigned behind Regular Drivers. All trips are to be awarded to first the "A" board, then to board "B". If trips remain unbid the supervisor will assign the trip. This assignment will not affect the rotation.

All boards will be maintained for correct rotation for each school year.

"A"- A maximum of two (2) "A" trips per calendar month will be allowed. There are no limits to the number of "B" trips.

Short trips:

1. Short trips (2.6 hours or less) shall not be charged against a driver's "A" or "B" rotation seniority. The Supervisor will maintain a separate rotation list of short trips.2. Shuttles (transportation of students between schools) may be split between two drivers, (see 3), however a driver may preempt the split by bidding "A" or "B" in parentheses when they sign. When they do so, they will be charged "A" or "B" as applicable for the trip the trip, however short.

3. If either or both ends of the shuttle can hook onto a run time-wise, the transportation Supervisor may assign the shuttle (including splitting it) for the sake of efficiency, and the driver(s) will be paid for the actual extended work time. For any shuttle segment that does not hook to a run, a driver will be paid 2.0 hours or higher, as applicable per the contract.

Time of assignment:

1. Trips will be assigned at 9:10 a.m. on Friday for the following week (Monday - Sunday). Field trips are assigned first and shuttles are assigned second.

2. Nobody shall sign or remove their name after assignment time whether or not actual assignment has occurred.

3. Drivers may communicate their sign-on proxy to the Supervisor if they cannot be present at assignment time.

Proxies must be received by 9:00a.m. the day of assignment in order to be considered for proxy posting . Only drivers who cannot be present due to South Whidbey School District Transportation Department work Schedule are eligible for proxy.

Late trips:

A late trip is defined as a trip posted any time after 24 hours before normal trip assignment time. Late trips are assigned by 4:45 p.m. on the day before or three (3) hours before trip if trip was posted after the 4:45 assignment time, whichever provides the longest posting time. The trip will be assigned by rotation and trip assignment rules will apply.

Cancelled trips:

A cancelled trip will not change current weekly assignments. Driver will go back into rotation if no other trips were assigned to that driver for the remainder of that week. If driver is not contacted before their arrival to do said trip they will receive 2.0 hrs. call-in (per contract) or time up to the start of their regular run. If cancellation of trip was made after the drivers regular run was officially started (after pre-trip) that driver will get regular route time and sub driver will do run. Otherwise, regular driver will do their regular run.

Rescheduled trips:

1. If trip is rescheduled within the same work week, the original driver may take the trip. Driver will not lose their place in the rotation if they refuse trip.
2. If the original driver is assigned another trip at the same time as the rescheduled trip, that driver has the choice of those two trips. The trip not chosen will be assigned by the supervisor.
